The Registrar

Subject: Formation of NSS unit for Nair Hospital Dental College.

Respected Sir,

Nair Hospital Dental College carries out immense activities towards the community development such as dental camps, health rallies, creating oral health awareness in railway stations and bus depots, old age homes, red light areas and illegal communities. We have organised donation drives that help disadvantage sections of society. However, this kind of social work is not recognised at State and National level. Our students will benefit by volunteering for NSS as it will help channelize these activities and help them to develop leadership skills and learn about different people from different walks of life.

Our intake of students at undergraduate level is 75 in number currently and will rise to 100 in coming years. In addition to this we have 23 post graduate students per year. We request you to kindly allot NSS unit to Nair Hospital Dental College. Dr. Seema Kamble, Associate Professor, Public Health Dentistry has been appointed as the Programme Officer to co-ordinate in future in this regard.
